Congratulations

Following the conclusion of a merit selection process, we would like to congratulate and welcome Mr Bradley Robinson as our new principal at Canowindra High School.

Brad has done a great job as relieving leader, and we are looking forward to all that he will achieve for students in a permanent capacity.

Please join us in congratulating Brad.

Boys Group

This week Lewis Bird talked with the boys on how they had been going this term. With many of the boys meeting their specific behaviour and educational goals he was full of praise.

He then moved into a physical session on the oval making a strong point about not taking shortcuts if the going got a little tough. Lewis sat them down and put to the boys that gratitude needed to become a part of their thinking. The boys have a goal to now show gratitude.

For other students if you would like to chat or meet Lewis, he is aiming to attend our rural cup visit in Oberon.

Congratulations

Congratulation to all students awarded this week.

Students post their merits in their year letterbox and at the end of each week there is a draw for a canteen voucher for each year group.

Term 1 Assembly

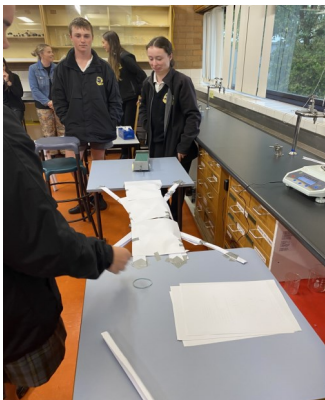

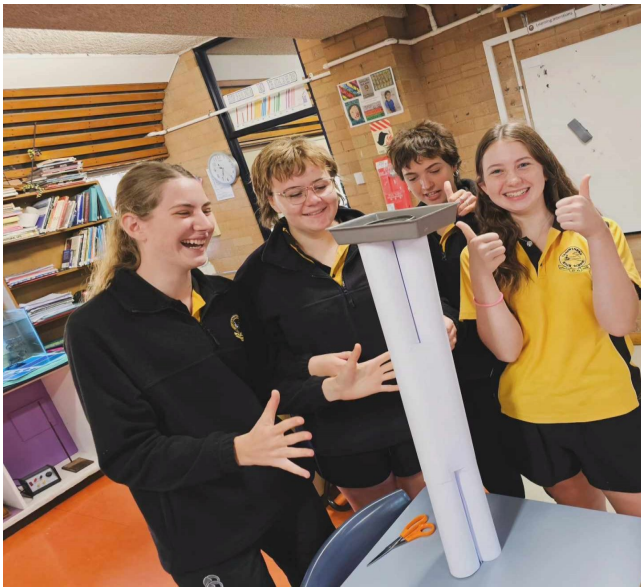

Congratulations to all award recipients, and to our newly elected Student Representative Council, that were inducted during last week's Term assembly.

Science

In preparation for the Science and Engineering Challenge, Year 10 students have been engaging in a variety of team building activities this week.

The students will travel to Young on Thursday to compete against other schools. The challenge is a full day of hands-on activities, designed to provide students with a positive experience of science and engineering, with the aim of encouraging students to consider a career in science or engineering.
