

Book & Equipment Requirements Year 11 2023

EARLY BOOK & EQUIPMENT PURCHASES ARE ENCOURAGED

For 2022 we are encouraging students to have most books and equipment purchased, covered, and labelled ready for starting work on the first day back at school.

We hope that by giving you this information early you may avoid the rush experienced by many at the start of the school year or perhaps be able to take advantage of “specials”. Teachers will, of course, provide additional information from time to time during the year.
