Year 7 Transition Day 2 2023

The Year 6 students attended Canowindra High School for their 2nd Transition Day. Students participated in various activities in English, Science and Maths. The highlight of the day was participating in a horse and jockey race (Melbourne Cup inspired) with Year 10 students. Thank you to Mr Bushell, Mr Ferguson, Mrs Balcombe, Miss Maye, Mr Edmondson, Ms Daniel and Mr Rue for providing fun activities for Year 6 students. Congratulations to Madeleine Starr for winning the lucky door prize and Elizabeth Henry for winning the canteen voucher. I am looking forward to Year 6 visiting again this Wednesday 9th November.

Principal's News

What an unsettled week it was last week with the impact of rain, flooding and road closures. Our student and staff attendance numbers were greatly impacted by this event and I would like to thank parents for their understanding and patience with the disruption. Unfortunately, many of the activities planned for the week also had to be cancelled and hopefully will be re-scheduled in the next few weeks.

I would like to give a huge thank you to our Year 11 and 10 students, Mr Conliffe and Mr Marcantoni for stepping up to assist the SES and our community with the filling of sandbags last week. When asked to assist, the students quickly and eagerly raised their hands to help which is a true credit to their families and our school and a reflection of their community spirit. The same community spirit was evident around the school with students volunteering, as a break from classroom activities, working in the gardens and, this week, helping fix the potholes in our busbay.

Last Friday was the final day of HSC exams for our Year 12 students this year. A huge thank you to Margie Crowther and her team of supervisors for ensuring the smooth running of things over the past four weeks. With most students now going through the process of officially signing out of school we would like to wish them all the best as they take the first steps into life beyond Canowindra High School. I look forward to joining them, their family members and our staff at the Graduation Dinner next Saturday evening.

This Wednesday we will once again welcome our incoming Year 7 students to our school as the final part of their transition program. I would like to commend those who attended last week and thank them for their adaptability in dealing with all the adjustments that eventuated throughout the day. They truly learnt about the flexibility of schools.

Unfortunately, due to the unpredictability of the weather, last week's disruptions to planning and the dampness of our school grounds our planned open day has had to be postponed. Students and staff were looking forward to being able to showcase our amazing school but will continue to plan for a bigger and better event next year.

Principal, Neryle Smurthwaite

Helping Hands

On Tuesday of last week, Mr Conliffe took a group of Year 10 and 11 students across to the NSW SES Canowindra unit to help pack sandbags. As the flood levels rose the need for sandbags by members of our community increased and the SES were calling out for volunteers to help pack and stack sandbags. Our students were quick to offer up their strength to help prepare the town for what was coming.

A huge thank you to our students and the SES, local Police and council for keeping everyone safe last week.
