Western Girls League Trials

Last Wednesday, 5 students from Canowindra High School trialled in Narromine for the Western Area Girls Rugby League teams. The girls were placed into teams and demonstrated their skills with and without the ball in a variety of positions.

Adison Newcombe and Sienna Adams trialled in the Under 16's Division. Kirbie Mongan, Holly Wilson, Lila McCaffery represented Canowindra in the Under 18's. From all reports the girls put on a great display of football. Lookout NRLW !

Congratulations to Adison Newcombe (Centre), Kirbie Mongan (Fullback), Holly Wilson (Centre) and Lila McCaffery (Centre) who have been chosen to represent Western at the Greater Regional trials in May

Shape Exhibition

Well done to past student Ava McMillan who, on Monday represented Canowindra High School at the launch of the SHAPE Exhibition in Sydney. Ava was among a select few 2023 HSC students to be recognised for their major projects' creativity, design and construction skills during a special awards ceremony.

Congratulations

Congratulations to our weekly focus winners this week!! Students are being rewarded in class for their positive behaviour.

Students post their merits in their year letterbox and at the end of each week there is a draw for a canteen voucher for each year group.

CANOWINDRA HIGH SCHOOL ATHLETICS CARNIVAL

The Annual Athletics carnival will be held at the Sports Trust Oval on Thursday 28th of March 2024. Students will meet at the sports trust oval at 8.50am for morning roll mark under the pavilion. Students catching a bus to school will be supervised and directed to walk from the school bus bay to the sports trust oval.

For students, attendance is compulsory, as this is a normal school "day". Those students who anticipate they will not be here Wednesday, must provide a note in advance to the Deputy Principal. If students are away, then a note must be provided the following day.

MEAL ARRANGEMENTS

A variety of food, as well as drinks will be served at the canteen throughout the carnival. Otherwise bring a lunch, snacks and water that will provide plenty of lasting energy for the day.

WHAT TO BRING

Students are permitted to wear house colours to the carnival on Wednesday (No inappropriate dress, including singlet tops, will be accepted) and students must wear covered shoes. During the carnival it is recommended that students have hats, shirts, and sunscreen to prevent over exposure to the sun if it is warm.

If there are any medical or similar reasons why a student cannot participate, parents are asked to provide a note to Mr Rue explaining the circumstances.

We are all looking forward to a great day!

Senior Biology

Year 11 Biology have been diving into their enzyme activity depth study this week.

Students have been planning and conducting their investigations, before delivering their results.

Boys Program

Last week, Mr Dalziell spoke to a group of Year 10 and 11 boys about the traits and qualities that could enable them to be successful in life. His personal story and wide experience as a HR consultant with the Defence force gave relevance and expertise into this crucial step for our boys.

Meeraboo Candles

On Wednesday Danielle Maere visited the school to talk about her experiences in starting her own business, Meeraboo Candles. Danielle and her mother Deb turned their hobby into a successful growing business.

Thank you, Danielle Maere, for encouraging Year 11 and 12 on chasing their dreams and learning about how to start a bush business.

First Nations Culture Class

16 of our First Nations students worked exceptionally well during Culture class this week in the kitchen.

They safely and collaboratively cooked up a crocodile storm!!!

Crocodile skewers, crocodile curry, salt and pepper crocodile, and crocodile stir-fry were on the menu.

A special thank you to Ms Tapim who led the lesson and supported our kids in ensuring the food was beyond delicious!
