It's a Girl !!

Our beautiful Murray Grey farm girl, Beatrice has given birth to a baby girl!

We want to thank Linda Morrow from Glenrowan Dairy for her continual generous supply of A.I to help our students study, learn and enjoy a breeding program.

We are beyond excited about our gorgeous baby girl who is Murray Grey x Speckle Park.

Let the naming games begin!!!!

History

Students in Mr Osborne's Year 7 History class worked safely and efficiently to bake cookies. They then simulated the process of archaeological excavation as they "excavated" the chocolate chips in the cookies.

They discovered that excavation is both destructive and scientific.

Unfortunately, many of the "artefacts" were accidentally lost to the students' stomachs during the process. 😊

Agriculture

Our Year 9 Agriculture students have begun their Horticulture unit, and we are starting with the Permaculture, Organics and Biodynamics.

Our Year 9's began building their "Lasagna- No Dig" exhibition garden this week, using worm-rich compost that they have made in Term 2 and laying lasagna levels to build up nitrogen ready for our sunflowers and corn.

We are learning about how powerful techniques are, in building up soil profile and engaging weed-control practices that don't use pesticides or chemicals.

Western Athletics

On Friday, 8 students from Canowindra High School travelled to Barden Park, Dubbo to trial for the CHS State Athletics Championships. Inspired by our Olympians, Canowindra students ran fast, threw big and jumped far and high matching other competitors.

The Team consisted of Alyssa Price, Emily Thomas, Lillian Harrison, Indi Heard, Harry Duguid, Hayley Hampton, Seth Middis and Sam Hamilton. Well done to all students for your effort on the day.

Congratulations to Emily Thomas (Discus), Lillian Harrison (3000m, 1500m, 800m), and Hayley Hampton (High Jump) who all qualified for the NSW State Athletics Championships at Olympic Park in September by finishing in the top two in the Western Region.

We look forward to hearing about your success next month!
